

Diploma In Business And Strategy (Level 7)

WHAT IS THIS PROGRAMME ABOUT?

The Diploma in Business & Strategy (Level 7) from Stellaris PTE Limited prepares graduates for professional positions in the areas of business with specialised knowledge and skills in strategic management.

IS IT RIGHT FOR ME?

The programme is aimed at professionals from various disciplines, who wish to enhance their knowledge, skills and experience in business and strategic management. It is also suitable for business professionals who wish to progress into strategic roles within an organisation. Skills and knowledge gained through this programme can be applied directly in the workplace or for further studies in the areas of business administration and management.

WHAT WILL I GET OUT OF IT?

On completion of the Diploma in Business & Strategy (Level 7), graduates will demonstrate knowledge and skills in business management with a strategic perspective. Graduates will also demonstrate an in-depth understanding and higher-level knowledge and skills in Corporate Communication, Organisational Behaviour, Economics, Business Strategy, Finance, Marketing and Business Research Methods. The qualification can lead to further study in this area or direct employment into the workforce.
